

ABSOLUTE TRUTHS

- God's power, not your effort, ensures your success.
- God chose you, called you, and equipped you to believe in Jesus.
- You are righteous because God declared it so.
- Every act of service, every moment of faith, and every victory in your life is the result of Christ working through you.
- Your faith is not self-generated; it is initiated and powered by the Holy Spirit.
- Your ability to believe in Jesus is itself a gift from God.
- Your righteousness, understanding, and success come solely from God.
- God's Spirit within you keeps you from falling into the traps of evil and strengthens you to walk boldly in His righteousness.
- The Spirit of God within you drives out evil, giving you strength to live in freedom and righteousness.
- Your old nature, with its limitations and weaknesses, has been crucified with Christ.
- Faith originates with Jesus and is sustained by Him.
- The faith you have is a gift, cultivated and completed by Jesus.
- Your Father has crafted a divine plan to sanctify and purify you.
- Your Father delights in accomplishing the impossible through you.
- You will never be judged guilty. Why? Because Jesus took your place.
- You are not just partially saved or temporarily saved—you are saved to the uttermost.
- Your weaknesses are not barriers to God—they are the very reason He pours out His grace and mercy so abundantly.
- God is always mindful of you.
